

PRIVACY POLICY FOR TALENE APP

This privacy policy governs your use of the software application TALENE (“Application”) for mobile devices that was created by Frank Thamel. The Application is a web school for kids to learn joyfully. Learning is not a matter of simply storing of facts and skills. Children construct knowledge actively, integrating new concepts and ideas into their existing understandings. We make children happy and confident. We support learning across physical, social, emotional and intellectual areas of development as well as learning in different content such as language and numeracy.

Through TALENE app,

- We offer opportunities to experience the joy of learning and enhance kids’ knowledge, self-confidence, and satisfaction.
- We help kids to develop their language skills.
- We help kids to develop their cognitive skills.
- We help kids to become more independent.
- We help kids to develop their personality.

What information does the Application obtain and how is it used?

TALENE app won’t collect any personal data from app users.
